## Designing, Manufacturing & Installation of Column Internals - Column Trays, Structured Packing, Random Packing, Hexmesh, Anchors & Fabricated Sheet Metal Parts

We are an ISO 9001:2015 certified company established in 2006 and have been engaged in designing, manufacturing and supply with installation of mass transfer equipment for Refineries, fertiliser plants, chemical plants, etc. Punchtech's installation team has not only reduced shutdown mishaps, but it has saved installation time and eventually saving shutdown loses for their customers. Being recognised by Oil refineries across India, Punchtech is also working with major EPCs and PMCs and is serving them with state of the art equipment and engineering services with timely delivery with quality.
